

# PAIDEIA

CHRISTIAN ACADEMY

## School is in session!

This month, on August 15, Paideia Christian Academy officially opened its doors for the first day of the 2022-23 school year! After many months and years of prayer and preparation, it was incredibly humbling to see our students fill the classroom for the first time. We are grateful for all the ways in which God has directed our paths and has brought us this far, and we are looking to Him with joyful anticipation of what He will do in the coming years! We covet your prayers as the work has just begun.

## Financial Update:

Due to the generous contributions of some local donors, we are now able to offer financial assistance to qualifying families. If you or someone you know are interested in applying for financial assistance, please [contact us](#) to request an application. We are excited to see how the Lord will work in and through Paideia Christian Academy, and we are grateful for the generous support of so many individuals who share that vision.

## Staff Update:

We are excited to announce that we have hired a support staff position, Audra West. We look forward to officially introducing her to you in our next newsletter!

## Support Paideia

Paideia was established to serve God, local families, and local communities and to develop students who will carry the torch of a Godly heritage through the next generations. We recognize that, unless the Lord builds the house (or, in this case, the school), the builders labor in vain. Would you join us in praying that the Lord would establish the work of our hands?

Additional ways to support Paideia include:

- Spread the word about Paideia
