School Updates

We have officially made it through our first quarter! Our staff and students are just returning from fall break after having worked so hard over the past two months. And what a wonderful and productive two months it has been!

In the classroom, History and Art coalesced as our students constructed model ziggurats in connection with their Mesopotamian studies. Our Grammar students are rapidly working their way through CS Lewis' classic, [The Lion, The Witch, and The Wardrobe](#), while our Pre-Grammar students read [Hattie and the Fox](#).

One of the biggest highlights of the month was our first Poetry Jam Night.

Students had the opportunity to present poetry they had been working on since the beginning of the school year. The event was well-attended by families, staff, and board members, and the students did an excellent job presenting the poetry at which they have worked so hard. While our students enjoyed opportunities to practice their professional public speaking skills at the Poetry Jam Night, they also had the opportunity to let loose a bit with Crazy Hair Day.

We are so grateful for this student body and for all the Lord has already done in this first full month of school. To God be the glory, great things He has done!

Year-End School Support

If you are interested in supporting Paideia in a tangible way, we are looking for some additional supplies to expand our classroom offerings. While our board carefully crafted the budget so that our operating expenses are covered by tuition, we are hoping to expand what we are able to offer our students. We are looking for financial support in these specific areas:

- Your gift of \$75 purchases 3 gallons of paint
- \$100 purchases additional shelving in the art room
- \$500 purchases 10 Glockenspiels to enhance our music program
- \$960 purchases groups of 5-8 books for reading groups (x12) - \$10 per book x 8 books x 12 sets

Additionally, we are on the lookout for additional shelving for our classrooms. You can easily give online by following this [link](#), or by sending a check to Paideia Christian Academy, PO Box 534, Prosser, WA 99350, or by contacting the school office. Paideia Christian Academy is a 501(c)(3) organization, so all donations are tax deductible.

Thank you for your generous, ongoing prayer support for Paideia. Though we work hard, we recognize that all things are in the hands of our good God, and "unless the Lord builds the house, those who build it labor in vain."

Music assessment day!
