PAIDEIA
CHRISTIAN ACADEMY

School Updates

What a wonderful whirlwind the last month has been! We have seen such growth in the students as they adjust to the academic workload and rigorous schedule. In a month's time, our students have covered nearly the entire book of Luke, learned (and use exclusively!) the cursive alphabet, created musical instruments, illustrated parts of "Charlotte's Web," built their Latin vocabulary - and that's just scratching the surface!

We had our first Spirit Day, where students and staff donned crazy socks, and we enjoyed getting the entire school family (families, staff, and board members) together for a barbecue to kick off the school year. In the upcoming month, we are looking forward to giving our students an opportunity to exercise the public speaking skills they're honing in the classroom at a Student Poetry Jam Night.

We are so grateful for this student body and for all the Lord has already done in this first full month of school. To God be the glory, great things He has done!

Staff Highlight

We are thrilled to introduce you to our School Support Staff member, Mrs. Audra West! She is the face our families see in the office after school and out in the yard during school drop off. She works behind the scenes to support the school and Mr. Oten, and, really, she is the one that keeps everything running smoothly! Mrs. West is a mom to 4 awesome kids, ranging in ages from high school freshman to first grade.

Mrs. West loves kids and has worked offering in-home childcare while her own children were at home, and, more recently as a substitute teacher in the Mabton School District.

We are so grateful to have Mrs. West on staff. Stop by the office sometime to meet her!

Financial assistance is now available for qualifying families. For more information, contact us at info@paideiachristian.com. It's not too late to apply!

Support Paideia

Paideia was established to serve God, local families, and local communities and to develop students who will carry the torch of a Godly heritage through the

next generations. We recognize that, unless the Lord builds the house (or, in this case, the school), the builders labor in vain. Would you join us in praying that the Lord would establish the work of our hands?

Additional ways to support Paideia include:

- Pray
- [Inquire](#) & Attend
- Spread the word about Paideia
- [Donate](#)
